- **Soft Skills:** Problem-Solving Skills, Team Player, Project Management, Adaptability

PROJECTS

Nike Web Application | *Html, JavaScript, CSS* | [GitHub](#)

Feb'25-Mar'25

- Developed a responsive Nike e-commerce web application featuring product browsing, dynamic filtering, and an intuitive user interface.
- Implemented secure user authentication and cart functionality using modern frameworks to enhance overall user experience.
- Optimized performance and visual design with clean UI components, fast loading times, and mobile-friendly layouts aligned with Nike's branding.

Online Store | *Html, JavaScript, CSS* | [GitHub](#)

Mar'25-Apr'25

- Built a fast, real-time online grocery store platform with product search, category filtering, and smooth add-to-cart functionality.
- Integrated live order tracking and user authentication, ensuring a seamless end-to-end shopping experience
- Enhanced performance with optimized APIs and responsive UI, delivering quick loading times and consistent usability across all devices.

Job Portal | *Html, JavaScript, CSS* | [GitHub](#)

May'25-Jun'25

- Developed a full-featured job portal with job posting, searching, and filtering options for candidates and employers.
- Implemented secure user authentication and role-based access, enabling separate dashboards for recruiters and job seekers.
- Optimized the platform for fast performance and usability, including resume uploads, application tracking, and a responsive UI.

TRAINING

Cipher Schools (Edtech Company)
Student Management System

Jun'25-Jul'25

- Built a console-based system in Java to manage student records, including adding, updating, and deleting data, improving administrative efficiency by 60%.
 - Applied Object-Oriented Programming concepts such as encapsulation and inheritance to develop a modular and maintainable
- Tech stack:** Java, OOPs, File Handling

CERTIFICATES

- Privacy and Security in Online social media | [NPTEL](#)

Mar'25
- Data Structure and Algorithm using Java Programming | [Cipher School](#)

Jul'25
- Computer Architecture and Computer Networking | [Coursera](#)

Nov'24
